 **THE LISTENING TAPESCRIPT**

From: <http://www.listenAminute.com/t/trains.html>

Trains are great. They must be the best way to travel. It's so nice sitting on the train seat, stretching your legs and looking out the window. I love looking at the world go by from the train window. Taking a train in another country is even better. It's like being in a movie. I've always loved trains. I love the sound, smell and motion. Usually, catching a train means going somewhere nice. Most of my train journeys have been to different cities, often on vacation. I'm not so keen on commuter trains, especially crowded, rush-hour subway trains. Everybody looks miserable because there's no space and people are on their way to work. My dream is to take all of the world's great train journeys.
